In section 4-7 you will find a number of specific conditions, including putting forth queries prior to the annual meeting, putting forth proposals for consideration at the annual meeting, the right to speak and ask questions at the annual meeting and result of the annual meeting.

2. Notice of annual meeting

Notice of the annual meeting at DAC will take place on the basis of the information registered in the Register of shareholders (Ejerbogen) including name, address and email (if registered). DAC will, in this regard, process the personal information with the purpose of advising the shareholders of the coming annual meeting so that the shareholders are able to exercise their basic administrative rights at the annual meeting.

The notice, including agenda, will be released and issued in accordance with current legislation and DAC's articles of association, thus released as a company announcement via Nasdaq First North Growth Market, the company's website, furthermore, issued via email to those who have requested it.

In continuation of the release of the notice, the remaining documents of relevance for the annual meeting will be issued on DAC's website, including the complete proposals and forms needed for voting by proxy or postal vote.

The notice including agenda will be available on the website for a 5-year period, furthermore, the additional documentation will be available on the website until the following years' annual meeting.

DAC may archive the notice, including agenda, complete proposals and forms for authorization and voting by proxy or postal vote, until it is no longer needed for DAC to store, in regard to, DAC safeguarding the company's and shareholders' interests. However, at a minimum of 10 years, whereafter the information will be deleted.

3. Registration and submission of authorization and absentee vote

When you, as shareholder, register yours or an advisor's participation in the annual meeting or submits a third-party authorization, DAC or VP Securities A/S will issue an access card (including ballot) which will contain certain personal data regarding you, your proxy and/or advisor, including name, address, email and stockholding. The access card will be issued either electronically or via email.

Registration of participation entails DAC or VP Securities A/S to process your personal data on the basis of the information you have registered in the Register of shareholders (Ejerbogen). In addition, handling of your personal data will take place when submitting your instructional authorization, authorization to the board of directors or absentee vote. Furthermore, your personal data will be handled, should you cast your vote at the annual meeting (written or electronically)

Should you submit a third-party authorization and/or announce participation of an advisor, DAC and/or VP Securities A/S will collect and process their personal data (name and address). Collecting and processing of this information will take place for the purpose of securing the relevant persons access to DAC's annual meeting, further making sure they are able to exercise appropriate rights.

DAC can store data regarding registrations, authorizations and absentee votes, until it is no longer pertinent for DAC to store the information in regard to safeguarding DAC and the shareholder's interests, though a minimum of 10 years, whereafter the data will be deleted.

Information regarding VP Securities A/S's personal data processing can be found on their website.

4. Putting forth queries prior to the annual meeting

When putting forth queries prior to the annual meeting you must document your status as shareholder or proxy. In this connection, your personal data will be collected and processed. Collecting and processing of personal data are, in this regard, based on DAC's legitimate interest in being able to identify you, so that you are able to exercise your right as shareholder to put forth queries.

In case the queries are answered in writing, the query including your name and DAC's response will be presented at the annual meeting.

DAC may store the information regarding the query until it is no longer necessary for DAC to store them, in regard to safeguarding DAC's and the shareholder's interests, however at a minimum of 10 years, whereafter they will be deleted.

Moreover, refer to section 6 regarding rights to speak and putting forth queries at the annual meeting.

5. Putting forth proposals

In connection with requesting acceptance of a specific topic on the agenda for the annual meeting., your personal data, including the content of your proposal will be obtained and processed by DAC. Your personal data is collected in this regard, based on DAC's legitimate interest in being able to identify you as shareholder, so you are able to exercise your right to put forth proposals for acceptance on the agenda.

In case your request meets the requirements, the proposal and your name will be added to the agenda, the complete proposal overview and on the forms for authorization and absentee voting, which hereafter will be released in accordance with the by-laws.

Moreover, refer to section 2 regarding notice of annual meeting and section 7 regarding preparation of results of annual meeting.

6. Rights to speak and putting forth queries at the annual meeting

Should you choose to speak at the annual meeting, e.g. to put questions to the board of directors, operating review or the annual report, you will be asked to document that you are a shareholder or proxy, and in this connection, your personal data will be collected and processed, based on DAC's legitimate interest in being
